

# Believe Christmas Nail Art

Would you like to have festive nails for Christmas?

Threshold will be running one-day sessions/courses to teach beginners nail art. Learners will have the opportunity to learn different techniques (using polka dots, chevrons etc.) and equipment (nail pens, tape etc.) to create festive designs.

At the end of the session, you will have gained new skills and have the option to have your own nails painted.

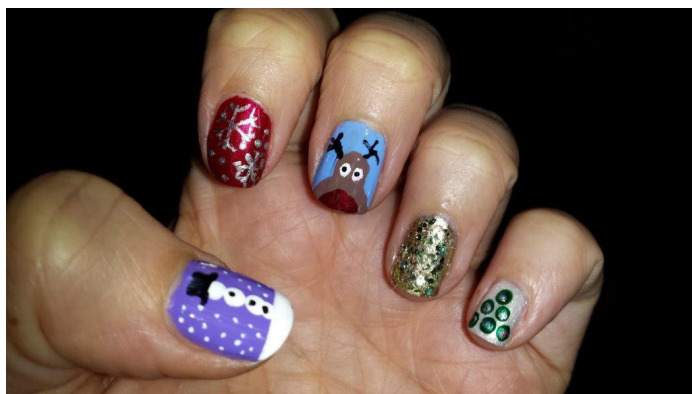

It will be a fun, informal group session held at our Station Road office from 10 am to 2 pm. Booking is essential. Max 6-8 per group.
