## Get ahead by getting on with numbers...

The 'Moving Forward' Project is a project that provides opportunities in training and support into employment for people and communities in Wales. This project is funded by the UK Government through the UK Shared Prosperity Fund (UKSPF).

## Do you feel that your maths skills are a barrier to a job or career you would like to pursue?

The Moving Forward Project is a new project to support individuals in developing their maths skills - around one in five adults in the UK lack numeracy skills, without which they find it difficult to budget; they feel stressed and insecure about money regardless of their income, and they struggle to overcome barriers to progression in work.

The project will offer its training courses as part of the following qualifications:-

**Level 1-2 Award in Essential Skills for Work and Life**

**Level 1-3 Award in Skills for Further Study**

**Level 1-3 Essential Application of Number**

Courses are free to individuals who are 19+, living in Rhondda Cynon Taff who are unemployed, employed self-employed or on zero-hour contracts. Individuals currently in receipt of ESA and JSA are welcome.

Interested? Please Contact Gail on  
[GHughes@threshold-das.org.uk](mailto:GHughes@threshold-das.org.uk) / 07951 949863

Courses can be undertaken via classroom delivery, online delivery or self-study (with tutor support) through our 'The Life You Want' learning portal. Training and project activities are available face-to-face and/or online\*. Eligibility criteria applies - open to residents in the unitary authority of Rhondda Cynon Taff. (\*Subject to participant numbers)
